

## J ARMS TRAINING AND CONSULTING

Greetings,

My name is James with J Arms Training and Consulting. J Arms Training and Consulting is a private security, training, and consulting company that specialize in various fields of security. We provide armed and unarmed security services using active and retired law enforcement specialists, along with highly trained security professionals. The clients that we have provided services for were religious institutions, residential communities, construction sites, commercial properties, outdoor parks, camps, corporate offices, schools, salons, retail establishments, distribution centers, fundraiser events and more.

J Arms Training and Consulting offers top-tier training to ensure quality and professional service is provided. Our security consultations consist of a security audit and survey provided to businesses, groups/organizations, and individuals to maximize the safety of their establishments. The team at J Arms Training and Consulting has an abundance of experience, and provides the services with pride.

Attached is a copy of our company's service portfolio. We would be pleased to work with your company/organization in any security matters that you may require. My contact information is provided below. Thank you.

James Black
